Adopt me! :)

Ebony has been with her foster for over a year! While the foster is doing a great job, we need to find Ebony her furever home so she won't have to worry about finding the furever family love she deserves.

"Ebony here! I am an independent fellow that loves to play with toys and other kitties in my foster home. I am quite a character. I am litter box trained, altered, microchipped, and current on all age-appropriate vaccinations." Contact steelecountyhumanesociety@gmail.com or call 507-451-4512 to set up a meet-n-greet. My adoption fee is \$200.

If you would like to be part of an event to raise funds to help SCHS continue to serve the local community with stray and abandoned animals or if you are willing to help man our booth at the SCFF please email us or call 507-451-4512.

Dakota was SAVED!

Dakota is a little wonder!

She was abandoned at a farm in a carrier. Luckily the farm family cared about her well-being more than the people who dropped her off!

When we picked her up, she weighed less than 3 pounds, when she should weigh about 9 pounds!

She is with a wonderful foster and will be available when she is healthier!

*Does your dog bark
when you are not home?*

- Keep Greetings Calm- When you are getting ready to leave, gather up your things and leave as if you are coming right back. Skip hugs, kisses, or dramatic farewells. Don't say "Goodbye, sweetie pie!" This just gives your dog a huge alert that you're leaving.
- Build a Support Network- build a small circle of friends and family to help watch the dog if you're going to be gone for an extended period of time.
- Try Medications For Anxiety
- Seek Professional Help

Milo's Happy Tail!

"Milo has been such a wonderful addition to our lives and our home. At first he sat at one of the windows and 'cried'....I think he was missing the other kitties from the foster home he was in. But, he has done lots of exploring in our home and has found all sorts of places that make him happy (including the bathroom sink!) He is very content and happy, he enjoys our company and he loves it when my great-nieces & nephews visit (they love him too!). So far there's only one thing....he will NOT allow anyone to touch him! So, I guess we'll have to take our time with him as we wait to enjoy the kitty-snuggles! We love Milo!"

Welcome Bandit here! I'm with SCHS because my owner could no longer care for me. Here are some notes from them, "He is a very kind and sweet cat, he spends most of his day sleeping in a laundry basket or cuddling with me. He is very laid back and friendly with strangers. He loves to be petted and loves treats. He can be vocal at night if he wants to be by somebody. Occasionally, he will bring you a toy that he finds because he wants to show it off to you. He gets along with other cats and dogs." He is up-to-date on all age-appropriate vaccinations and ready for adoption!
