Buddy's Happy Tail!

I can honestly say that we were not looking for a senior, blind dog. But, we saw the picture of Buddy, met him and heard his story and knew he was meant to join our family. He is the bestest boy ever and brings so much joy to our lives! Buddy has become an international traveler. He is gentle with my daughter who has special needs. My husband is sad when Buddy chooses my lap instead of his. Everyone who meets him falls in love with him and visitors to our home "fight" over who is going to snuggle with him first. He has won the hearts of several of my patients when he visits me at work! Buddy is the "family member" that we didn't know we needed. He is deeply loved and treasured! Thank you for the amazing gift! Melanie, Mark, Maia, Matthew (The Hansen Family)
