1

Think about your lifestyle and what you would like in a pet. Are you ready for a young animal and the training that is required?

Or are you more in line with a mature animal that does not need as much supervision? Think about what is best for you and your family as this is a lifetime-commitment. Once you have an idea of what type of pet suits you best, visit one of our open house events or check out our adoptable animals online.

2

Once you have selected the right pet, complete the SCHS Pre-adoption Application. It can take up to 72 hours to process the application.

We reserve the right to deny any adoption for any reason. Please note that an approved application is not a guarantee that the animal will be available to you at a future date/ time and that an application that is approved for one animal may not be transferred to another animal.

3

The Foster Family will contact you to schedule a Meet-n-Greet to make sure you it is good fit.

4

The adoption agreement and fee are due at this time. We accept cash, check, credit card, Venmo, and PayPal.

5

*Take your new family member home and enjoy the love!*
